Although Golf Château de la Tournette is known for being ranked in the Top 10 of most beautiful golf courses in Belgium, the castle has much more to offer...

Discover our infrastructure, meet other CEO's, directors and managers and network during one afternoon in the spirit of the Corporate Club Golf Château de la Tournette.

As a golfer you will play against our Head Pro on the 6th hole of the English Course. For every Nearest-to-the-Pin ball, hit closer than our Pro, the winning player will win a prize.

As a golf New Comer (HCP 45-36), you will enjoy a specific and personalized competition on 9 holes. Non golfers will be initiated by our club Pro's.
